

Staff Nurse Job Details

Description of Endoscopy Nurse:

Raleigh Endoscopy Center offers outpatient endoscopic facilities specializing in the prevention, diagnosis and treatment of gastrointestinal diseases and disorders. Our team of 28 Gastroenterologists serves the greater Triangle area with three convenient locations in Raleigh, North Raleigh, and Cary.

Responsibilities include patient care in the Pre-op and PACU along with assisting the physician during endoscopy procedures following the guidelines and regulations that govern our facility. Working in the scope processing room following IFU for equipment HLD and sterilization processes.

Competencies:

Provides safe, individualized and efficient patient care following centers policies and procedures.

- Works as a positive team player who supports all areas of the center each day
- Follows safety and infection control policies and procedures when performing job duties.
- Participates in Safety and Quality Assurance/Performance Improvement activities
- Supports the Center's ideology, mission, goals and objectives

Requirements of the Endoscopy Nurse:

- RN or LPN with a current and valid North Carolina license
- BLS and ACLS certification
- Endoscopy experience a plus
